EXPERIENCE

○ **Avan Art House** – Tehran, Iran | Sep 2024 – Present

Art Educator & Curriculum Developer

- Designed monthly art curricula featuring themes and artists from diverse countries, time periods, and art movements.
- Organized collaborative planning meetings with art teachers across multiple disciplines.
- Facilitated brainstorming sessions, developed mind maps, and integrated ideas into cohesive lesson plans tailored to each educator.
- Specialized in visual arts education using project-based learning in painting, sculpture, illustration, and design.
- Incorporated art history into the creative process, helping students connect historical context with hands-on exploration.
- Delivered the entire educational program in English, combining art instruction with full language immersion.

○ **Hivad Center** – Tehran, Iran | May 2024 – Jan 2025

Gallery Coordinator & Studio Mentor

- Planned and coordinated children's art exhibitions, showcasing their creative work to families and the broader community.
- Organized monthly student artwork collections and selected representative pieces for display.
- Monitored and assessed the artistic development of students and teachers, providing individualized feedback based on each person's abilities and progress.
- Maintained high-quality classroom practices centered on creativity and strong instructional standards.
- Fostered a supportive learning environment that encouraged reflection, artistic growth, and collaboration.

○ **Aftab Academy** – Tehran, Iran | Jan 2022 – Feb 2024

Workshop Facilitator/Illustrator

- Led and organized summer camps, after-school programs, and specialized art classes in drawing, painting, sculpture, pottery, and doll-making.
- Collected and assembled children's artworks and character creations to produce visual storytelling projects.
- Achieved professional composition and layout standards in arranging children's illustrations for children's book-style presentation.
- Developed creative visual contexts from students' work, ensuring illustrations were accessible and appropriate for instructional and publishing materials.
